

Beginners' Maple Syrup Production

October 21st, 2017 ~ 9:30 a.m - 2:00 p.m.
CCE Resource Center, Hamden, NY

Presented by Stephen Childs, New York State Maple Specialist at Cornell University

\$15 per person
(includes lunch and course materials)

The workshop will cover aspects of maple syrup production including: why make maple syrup, tree identification, tree health, tapping, sap collection and handling, boiling, energy efficiency, finishing and grading syrup, canning, marketing and regulations.

The workshop includes a morning classroom session, lunch, and an afternoon field trip to Brookside Maple, which is owned and operated by the Scobie family in DeLancey, NY.
